5. Key Policies and Considerations

5.1 Legal Considerations

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

5.2 New Information

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

5.3 Hearsay Evidence

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

5.4 The Secretary of State’s Guidance to the Licensing Act 2003

5.4.1 The Secretary of State’s Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ guidance issued by the Secretary of

State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

5.5 **Manchester Statement of Licensing Policy**

5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

5.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application

- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- | | |
|-----|---|
| MS1 | Implement effective security measures at the premises |
| MS2 | Effective general management of the premises |
| MS7 | Maintain a safe capacity |
| MS8 | Prevent noise nuisance from the premises |
| MS9 | Effectively manage exterior spaces (e.g. beer gardens, smoking areas, table and chair areas on the highway) |

Section 9: Alcohol delivery services

This section sets out specific provisions for alcohol delivery services to be considered in conjunction with relevant standards from Section 8 of the Policy

Section 10: Adult entertainment (including striptease, nudity and other entertainment of a sexual nature)

This section sets out specific considerations in respect of applications to provide adult entertainment, including entertainment of a sexual nature e.g. nudity, striptease and lap dancing.

Section 11: The use of tables and chairs on the public highway

This section provides that the operation of any areas on the public highway licensed for tables and chairs should be considered with regard to all relevant Standards set out in Section 8 of the Policy.

Section 12: Premises Licences for large-scale public events

This section sets out particular expectations regarding large scale public events, given the specific associated risks.

6. Conclusion

- 6.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 6.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;
 - b) To reject the whole or part of the application
- 6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.

- 6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 **The Panel is asked to determine the application.**
