Name of Application: B&V Ventures Ltd
Address of Premises: 93 Oldham Street, Manchester, M4 1LW

My apologies if this is in the incorrect format I've never had to do this before

I live in [REDACTED]
[REDACTED]

Generally through the week the noise levels are tolerable

On a Friday and Saturday night I can feel the music from [REDACTED]
and the noise from people congregating outside the bar gets pretty loud - however
I'm aware of where I live and make an allowance for this as it's the weekend

My obvious concern is if the opening times are extended throughout the week then
the noise levels would continue and spread throughout the week.

This would result in broken sleep for myself and other [REDACTED]
would obviously negatively impact our ability to work the following day which I find
unacceptable

Therefore I must object strongly to this extension to the license

Dear Sir

I write in support on an application from B&V Ventures Ltd to extend their licensing hours for which a Notice of Application has, I understand, already been submitted to you. We are a local business which shares a common entrance with B & V Ventures. I have found them to be a friendly well run business, which trades in a responsible manner and which has helped to build up trade in Oldham Street by attracting new customers not just for their own business but for adjoining businesses like my own. I have been impressed by the way they have blended into the community and the fact that we have experienced no downside since their arrival. I hope you will see fit to grant the extension of hours application which my own business would happily endorse.
