Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

Staff will be trained in any changes that occur and they changes will be included in our refresher training we provide on a 6 monthly basis

b) The prevention of crime and disorder

The tables & chairs area is already monitored by a 24-hour CCTV system. Any incidents or rejections that occur shall be logged in an already existing log book that can be produced to any authorised officer upon request.

c) Public safety

All parts of the tables & chairs area will be maintained at all times and kept in good & safe condition. Appropriate lighting will be introduced in order for the area to be monitored at the best possible levels.

d) The prevention of public nuisance

The tables & chairs area shall be kept clean, tidy & free from litter at all times. A dispersal policy shall be displayed in the outside area designed to inform customers of opening & closing times of the area as well as requests to keep noise levels to a minimum whilst in the area & when leaving. We already implement and action a strict procedure where, 30 minutes before the outside area is due to close, we verbally communicate to customers that they must start to re-enter the building. In addition, in the interest of efficiency, we also start to clear away any empty tables and unused seats as and when they become free in the time leading up to the area needing to be closed. We will continue to carry out these procedures as they work very effectively in allowing us to have the outside area fully clear and closed by the designated time.

e) The protection of children from harm

N/A - None of the requested variances will have any affect on anyone under the ages of 18 as they are not permitted on the premises during the requested times
