

Manchester Homelessness Strategy - Action Plan

The Homeless Charter Partnership and the City Council recognises that we all have a part to play in working together to end homelessness in Manchester. This template is to be used to collect organisations contributions to the Manchester Homelessness Strategy refresh. The activity you and your organisation commit to will contribute to the three startegic aims listed below:

- Making homelessness a rare occurance: Increasing prevention
- Making homelessness as brief as possible: Improving temporary and supported accommodation and making it as positive experience as possible
- Making homelessness a one off, and not repeated, experience: increasing access an support maintaing a settled home

There is more information about these three aims on the next tab. This includes a set of We Will statements that help to define what each aim hopes to achieve.

Initially you may want to include work that is already being undertaken by your organisation or service that supports the achievement of the three aims. This will give us a clear picture of the city wide response to homelessness and will help to identify any gaps that might exist that will need new activity. Co-production and working with people who have experienced homelessness is key to the approach of this strategy we would like to see how you have involved people or families who might have experienced homelessness in developing this activity.

There is a named member of the Manchester Homelessness Partnership for each sector and they will be able to provide any answers to questions that you have about writing the action plan for your organisation, attending Partnership action groups or co-production principles. Once completed you will need to send through to them.

21	MCC - Finance	All	Analysis of past trends to inform investment ask at budget setting for 2018/19. Leading on from this analysis of the investment spend to understand and evidence the impact of this investment	No particular group		Ongoing		Chris Thomas	
22	MCC - Finance	AIM 2: Make experiences of homelessness as brief as possible:	Rough Sleeping Initiative, succesful bid for Grant funding for a targeted fund for local authoriites with the highest number of rough sleepers.	People who are sleeping rough		Oct 2018		Chris Thomas	
23	MCC - Finance	Aim 3 - Create opportunities for accessing housing, of the right kind and quality	Improve accommodation opportunities for people who are homeless - Joint investment with RP's - Strategic property acquisitions - 4 Bed Properties - 60 properties.	Families who require settles accommodation of 4 or more bedrooms		Oct 2018	Strategic Housing Board	Rachel Rosewell	
24	MCC - Revs and Bens	Aim 1	Landlords (social and private) are encouraged to contact the Benefits Service if they have a tenant who is at risk of eviction due to rent arrears. When we are contacted about such cases we will take all reasonable steps, including use of DHP, to prevent eviction.	No.	We do not hold records of these cases.	Ongoing	No.	Jane Stafford / Julie Bamford	
25	MCC - Revs and Bens	Aim 1	Our DHP scheme will support those people affected by the benefit cap and other welfare reform changes to either sustain their tenancy or to move to an affordable home. This can include support with arrears, paying rent shortfalls, and where there is a live claim for HB or UC we can offer support with deposits / agent fees.	No.	DHP is typically used to assist people to stay in their home by covering part or all of a shortfall between their HB / UC (housing element) and their rent. Our recording system does not support our reporting on awards made that have expressly prevented homelessness but it is reasonable to conclude that a significant proportion of awards help prevention.	Ongoing	No.	Matthew Hassall	

26	MCC - Revs and Bens	Aim 2	We will offer a "DHP guarantee " to landlords in order to take people who are affected by the benefit cap. Example - a family in homeless accommodation, 5 children and another on the way. No RSL properties available that are large enough and private landlords are reluctant to take them because they are capped. We can offer a guarantee to landlords that we would pay DHP for 6 months to cover any shortfall between the rent and HB. We can deliver this by working with the support worker on a case by case basis.	Yes. Families subject to the benefit cap.	We can record how many families are moved from homeless accommodation to private accommodation as a result of using DHP to cover the rent shortfall created by the cap. We can also record the cost of DHP used for this purpose.	With immediate effect.	No.	Amy Brickland	
27	MCC - Revs and Bens	Aim 3	Experience shows that it is essential that people moving into homelessness accommodation submit a claim for HB promptly. The transient nature of a proportion of these cases means that failing to claim promptly can result in no HB claim and so no HB can be paid. This results in a financial loss to the Council and can also result in rent arrears which creates a barrier to being considered for social housing and longer term financial pressures. We deliver training to managers responsible for MCC run homeless accommodation to ensure they understand HB / Universal Credit and the importance of making a timely claim for benefit.	No.	Homelessness can monitor cases that receive HB and those that don't. Revs and Bens cannot report on this because if we don't receive a claim we won't know about it.	Ongoing	No.	Bec Pendlebury	
28	MCC Revs and Bens	Aim1 and 2	We will provide a support package from the welfare provision scheme to support people moving into a new tenancy. This will include cooker, fridge, bed, kitchen starter pack, bedding and towels.We also consider emergency fuel payments.	Families / single people being rehoused in a new area / community	We monitor reasons / number of awards made	Ongoing	No.	Daniel Keen	
29	MCC Revs and Bens	Aim 1	Where a person has difficulty managing their own affairs or it is improbable that they will pay their rent or to help them secure or retain their tenancy we will pay HB to the landlord where they are living in the private rented sector.	All vulnerable groups	File notes kept of all decisions	Ongoing	No	Jane Stafford / Julie Bamford	
30	Manchester City Council Council Tax Service	Help maintain people in accomadation following a homeless spell	Where someone is permanently rehoused through this strategy we will consider suspending any recovery action for pre existing Council Tax debts. If the person maintains Council Tax payments for 12 months we will consider writing off the debt	No.		As soon as agreed	No	Charles Metcalfe

AIM 1: Making homelessness a rare occurrence:

The Partnership will increase homelessness prevention through:

Supporting people to maintain their home:

- Create links to local services, health, education, cultural, leisure, training, volunteering and employment opportunities, to enable people and families to maintain a home.
- Provide advice and information support people to access services that could prevent them becoming homeless. Raise awareness about realistic housing options and homelessness in the city.
- Identify where households might be at risk of homelessness earlier. Raise awareness with front line staff to recognise at-risk families or individuals and refer them for support early, including assistance with housing as well as non-housing services such as employment advice, mental health services and family mediation as part of the Duty to Collaborate.
- Work across services and organisations to proactively prevent and reduce homelessness. Develop joint working arrangements to target situations where a household might be at risk of falling through the gaps in services, in particular for tenants living in the private rented sector.
- Engage with private rented sector landlords to raise awareness and understanding of homelessness in the city.
- Undertake restorative approaches when Anti-Social Behaviour could result in homelessness.
- Raise awareness of the potential impact of short custodial sentences and promote the use of diversion methods during court proceedings.

Support people to move in a managed way:

- Create opportunities for accessing housing, of the right kind and quality, to prevent people from becoming homeless in the private rented and social rented sector.
- Reduce reoccurring homelessness through connecting people to local services, education, cultural, leisure, training, volunteering and employment opportunities. Enabling people and families to move and feel at home in their new home, through working with their strengths and interests.
- No one is discharged from hospital, mental health services, or drug and alcohol detox treatment into being homeless.

AIM 2: Make experiences of homelessness as brief as possible:

The Partnership will make the experience of Temporary and Supported Accommodation as positive an experience as possible by:

- Reducing inequalities and disruptions to accessing health, education, advice, community resources or other support that might be needed for people living in temporary and support accommodation inside and outside of the city. Ensure that people in temporary and supported accommodation participate fully in their community

and aren't isolated or disadvantaged through being placed in temporary or supported accommodation.

- Focus on the strengths and interests of people and families living in temporary and supported accommodation, connecting them to the education, training, volunteering, housing, cultural, leisure and employment opportunities in the city.
- Understand the current demand for and unmet need for supported accommodation to influence the future commissioning of services. Improve access to supported accommodation.
- Minimise the need for temporary accommodation over time by preventing people becoming homeless.
- Work with the unsupported temporary accommodation sector to improve standards.
- Expand the insight from single people and families who have experienced temporary and supported accommodation to design, commission, deliver and quality assure solutions to identify barriers that can exist, making services accessible and in designing and delivering future services and approaches.

AIM 3: Making homelessness a one off, not repeated, experience: Accessing settled homes

- The Partnership will reduce reoccurring homelessness, making any experience of homelessness a singular experience:
- Ensure that people can access affordable, quality homes in the right places in the private rented sector, working with private landlords to develop different options.
- Ensure that people can access affordable, quality homes in the right places in the social rented sector, working with social landlords to develop different options.
- Review the impact of the Allocation Scheme on people who are at risk of homelessness, including on single people who may face barriers to accessing social housing and adjust our approach to best meet this demand.
- Connect people to local services, health, education, cultural, leisure, training, volunteering and employment opportunities. Enabling people and families to move and feel at home in their new home, through working with their strengths and interests.
- Offers aimed at people who have experienced long term repeated rough sleeping lead to access whatever treatment, care or support is needed in their local community.
- Ensure that people who need it have access to ongoing support when they move onto their own tenancies through appropriate resettlement services, day centre provision or floating support in order to ensure that they don't end up being homeless again.
- Understand more about the demand for housing for people who are or may become homeless and work with landlords, accommodation providers and housing developers to review what the demand is and what the gaps are to shape our building profile.
- Involve people who have experienced homelessness in identifying barriers and designing future services and approaches to support resettlement and connect people to their new communities.
