

**Manchester City Council
Report for Information**

Report to: Health Scrutiny Committee - 21 July 2020

Subject: Local Prevention and Response (Outbreak) Plan

Report of: Director of Public Health

Summary

In June the Committee received a report on the development of the Manchester Test and Trace Service. The Committee were also informed that every Local Authority area had to develop a COVID-19 Management Plan for their area by 30th June 2020. The attached plan, called the Manchester COVID-19 Local Prevention and Response Plan, has now been published on the Council website. The Committee will receive a presentation that summarises the key components of the plan along with an update on the latest data and statistics.

Recommendations

The Committee are asked to:

- i) Note the report; and
 - ii) Receive regular updates from the Director of Public Health on the implementation of the plan.
-

Wards Affected: All

Environmental Impact Assessment - the impact of the issues addressed in this report on achieving the zero-carbon target for the city

Manchester Strategy outcomes	Summary of how this report aligns to the OMS
A thriving and sustainable city: supporting a diverse and distinctive economy that creates jobs and opportunities	This unprecedented national and international crisis impacts on all areas of our city. The 'Our Manchester' approach has underpinned the planning and delivery of our response, working in partnership and identifying innovative ways to continue to deliver services and to establish new services as quickly as possible to support the most vulnerable in our city
A highly skilled city: world class and home grown talent sustaining the city's economic success	
A progressive and equitable city: making a positive contribution by	

unlocking the potential of our communities	
A liveable and low carbon city: a destination of choice to live, visit, work	
A connected city: world class infrastructure and connectivity to drive growth

Background documents (available for public inspection):

None

1.0 Introduction

- 1.1 The Director of Public Health (DPH) at the City Council has led the development of the Manchester COVID-19 Local Prevention and Response Plan with local partners. The plan is structured in line with national guidance and all other nine Local Authority areas in Greater Manchester have developed their own plans and also contributed to the establishment of the Greater Manchester Integrated Contact Tracing Hub.
- 1.2 The plan has now been endorsed by the Health and Wellbeing Board on 8th July 2020 and will be updated regularly on the Council website. A summary document is currently being produced that will be disseminated to key stakeholders.

2.0 Recommendations

- 2.1 The Committee are asked to:
 - i) Note the report; and
 - ii) Receive regular updates from the Director of Public Health on the Implementation of the plan.
