

**Manchester City Council
Report for Information**

Report to: Health Scrutiny Committee – 1 September 2020

Subject: Manchester’s 10 Point COVID-19 Action Plan

Report of: Director of Public Health & Consultant in Public Health

Summary

In July the Committee received the Manchester Local Prevention and Response (Outbreak) Plan. At the end of July the Government announced the new restrictions that would apply to Greater Manchester and this was followed by the declaration of a major incident on Sunday 2nd August.

The attached 10 Point Plan builds on the Prevention and Response Plan and sets out the key actions that have been progressed over the month of August. Many of the actions in the 10 Point Plan will continue throughout September and the plan will be updated regularly.

In relation to point 1 of the plan the Public Health Specialist (Health Intelligence) will provide a presentation to the Committee on the latest data and information in relation to COVID-19 and comparisons between Manchester, Greater Manchester and England.

Recommendation

The Committee are asked to note the report.

Wards Affected: All

Environmental Impact Assessment - the impact of the issues addressed in this report on achieving the zero-carbon target for the city

Manchester Strategy outcomes	Summary of how this report aligns to the OMS
A thriving and sustainable city: supporting a diverse and distinctive economy that creates jobs and opportunities	This unprecedented national and international crisis impacts on all areas of our city. The 'Our Manchester' approach has underpinned the planning and delivery of our response, working in partnership and identifying innovative ways to continue to deliver services and to establish new services as quickly as possible to support the most vulnerable in our city
A highly skilled city: world class and home grown talent sustaining the city's economic success	
A progressive and equitable city: making a positive contribution by unlocking the potential of our communities	
A liveable and low carbon city: a destination of choice to live, visit, work	
A connected city: world class infrastructure and connectivity to drive growth
