Manchester Strategy Outcomes	Summary of how this report aligns to the OMS
A thriving and sustainable city: supporting a diverse and distinctive economy that creates jobs and opportunities	This unprecedented national and international crisis impacts on all areas of our city. The 'Our Manchester' approach has underpinned the planning and delivery of our response, working in partnership and identifying innovative ways to continue to deliver services and to establish new services as quickly as possible to support the most vulnerable in our city. A reset of the Our Manchester Strategy is now underway following a meeting of the Our Manchester Forum on 16 June 2020. An extensive engagement exercise will take place to inform a draft document in late 2020 and a final version in February 2021.
A highly skilled city: world class and home grown talent sustaining the city's economic success	
A progressive and equitable city: making a positive contribution by unlocking the potential of our communities	

A liveable and low carbon city: a destination of choice to live, visit, work	
A connected city: world class infrastructure and connectivity to drive growth
